EVENT REPORT

Name of the Programme : POSH Awareness and Training Program.

Date : 22.04.2025

No of Participants : 200

Place : Sir.C.V.Raman Auditorium.

Description : A POSH (Prevention of Sexual Harassment) Awareness and Training Program was conducted at our Nadar Saraswathi College of Engineering and Technology, Theni, with the aim of educating students about creating a safe, respectful, and inclusive environment. The session took place on 22.04.2025 and was organized by the college's POSH Cell in collaboration with the Department of Humanities and Social Sciences.

we provided a comprehensive overview of the POSH Act, 2013. The session included detailed discussions on the definition of sexual harassment, the rights of individuals, the responsibilities of institutions, and the mechanisms for reporting and addressing complaints. Real-life case studies and interactive activities helped students understand the significance of respectful behaviour and boundaries in academic and professional settings.

The training emphasized the role of students in building a safe campus environment and encouraged open dialogue on gender-related issues. Around 200 students participated enthusiastically, raising pertinent questions and sharing opinions.

The program concluded with a pledge to uphold dignity, equality, and safety for all individuals. Feedback from participants indicated increased awareness and a better understanding of their rights and duties under the POSH Act.
