EVENT REPORT

Name of the Programme : POSH Awareness -Drawing Competition.

Date : 20.05.2025

No of Participants : 52

Place : Drawing Hall.

Description : The Prevention of Sexual Harassment (POSH) Cell of Nadar Saraswathi College of Engineering and Technology organized a POSH Awareness Drawing Competition for first-year students on 20th May 2025. The event was conducted with the objective of sensitizing students about the importance of creating a safe, respectful, and inclusive environment within the campus.

Held in the Drawing Hall, the competition saw enthusiastic participation from students across various departments. Participants creatively expressed their understanding of gender sensitivity, respectful behavior, and the significance of preventing sexual harassment in educational institutions. The artworks displayed messages on the topic **"Dignity at work place"**, **"Stand up, Speak out"** and **"Stop Harassment, Start Respect"** capturing the essence of the POSH Act.

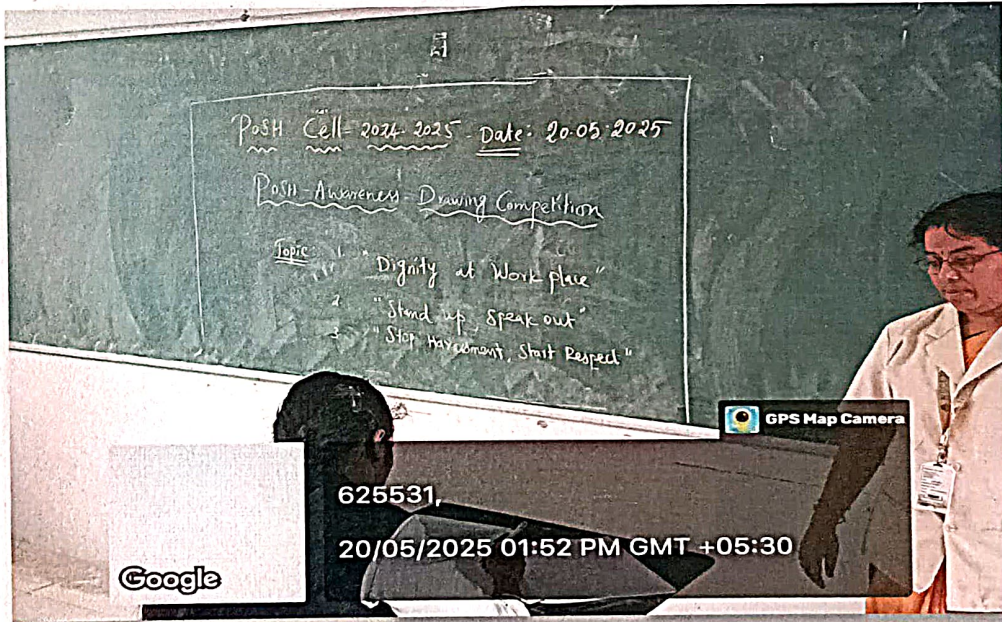

Faculty members from the POSH Cell judged the entries based on creativity, relevance to the theme, and clarity of message. The top three winners were awarded certificates and appreciation. All participants received participation certificates as a token of encouragement.

This competition not only provided a platform for artistic expression but also served as an effective medium to spread awareness among young minds. The POSH Cell remains committed to conducting such meaningful initiatives that foster a culture of respect, safety, and equality on campus.
